

SUPPORT THE COMPLETION OF PHASE 1

We need your help to bring this exciting project forward.

Cloughjordan Arts CLG, the not-for-profit company developing the Cloughjordan Community Amphitheatre, is seeking to raise €20,000 to complete the first phase, and to open the facility for public performances in Summer 2017.

So far the company has raised and spent €60,000. This money was raised through local fundraising combined with a 1916 Centenary Special Projects grant from the Department of Arts Heritage and the Gaeltacht and Tipperary County Council. The JVM Trench Trust, a philanthropic trust with a particular interest in the Cloughjordan area has committed to supporting us through our first 3 years of operation.

The amphitheatre itself is situated within the lands of the Cloughjordan Ecovillage, a registered educational charity. Cloughjordan Arts CLG will operate the facility under licence from this charity.

In order to bring this exciting project forward we are asking for your help!

Support the Amphitheatre Project by Loanstock

You will join a number of lenders who assist the project by lending money for a 1 year period. Loanstock is only issued in multiples of €500.

3. How much can I lend? Loanstock is available in multiples of €500. The smallest loanstock available is €500. There is no limit on how much loanstock you can acquire.

6. What happens if Cloughjordan Arts is wound up as a company? If this were to occur the following would be the status: The loanstock is an unsecured loan which means that the loan obligation is not collateralised by a lien on specific assets of the borrower in the case of a bankruptcy or liquidation or failure to meet the terms for repayment. In the event of the bankruptcy of the borrower, the unsecured creditors will have a general claim on the assets of the borrower after the specific pledged assets have been assigned to the secured creditors, although the unsecured creditors will usually realise a smaller proportion of their claims than the secured creditors.
